### RECOMMENDATION:

Adopt resolution approving the Final Map for Tract No. 9834 (14880 Los Gatos Boulevard).

### BACKGROUND:

The Town Council adopted Ordinance 2148 on January 1, 2006, approving planned development application PD-06-01. Ordinance 2148 amended the planned development overlay zone established by Ordinance 2089 to allow office condominiums and seven apartments to be owner occupied condominiums. The Development Review Committee approved the Tentative Map (M-06-06) on May 30, 2006.

### DISCUSSION:

Tract No. 9834 subdivides Lot 13 of the original Terreno de Flores Subdivision (Tract No. 9428) to provide up to eight commercial condominium units and seven residential condominium units. The developer, Cupertino Development Corporation, has provided all necessary maps and drawings and has paid the appropriate fees to fully comply with the development conditions and Town Ordinances. All public improvements were installed under contract and bond as part of the original subdivision (Tract No. 9428). No additional contracts or bonds are required for the condominium subdivision since no new public improvements are required to be installed. No dedications are required or offered on this map.
